The Children's Museum of Walla Walla is approaching its 5th year Anniversary and we are having a Harvest Festival to celebrate! The Festival will have a carnival theme with games, prizes, food music, novelties, special guests through-out the event, raffles, silent auction items and much much more for kids and adults of all ages. Tickets will be available to purchase at the door for food and games, but there is no admission fee to the museum during this event. Please come help celebrate with us and help us continue to make the Children's Museum of Walla Walla an important part of our community.
